- Analysis, Protocols and goals of CBP care
- X-ray utilisation
- Review of the CBP research

**Sunday 23rd April 2017**

9am – 7pm

Eskbank Chiropractic Clinic,  
18 Bonnyrigg Road, Eskbank, Dalkeith

Cost: £495

Both: £595

Saving: £100

## CBP 'Hands on' workshop (limited spaces)

- Test your knowledge of and ability to administer CBP methods.
- Learn and review the latest CBP techniques related to adjustments, corrective exercises, and traction procedures.
- Apply appropriate adjustive and rehabilitative treatment techniques.
- Survey case studies for enhanced learning.
- Analyze spine/posture deformities using valid, reliable assessment processes.
- See the layout and equipment types of a functional CBP practice.
- Enjoy an interactive learning environment packed with interesting and unique patient cases. You will walk away an improved Chiropractor; inspired to pursue spine correction in your varied patient population.

**PLACES ARE LIMITED SO EARLY BOOKING IS RECOMMENDED**
